STURGEON

Rev. P. I. Thacker being away Sunday, Rev. T. C. Carlson, preached at Bethel. The large congregation present enjoyed the sermon.

The Namas Literary society after a season of activity has disbanded for the present not, however, without having won two debates from the Bon Accord literary, which by the way is one of the best societies in the district.

Quite a number of settlers are passing these days bound for Grand Prairie. Amongst those who have gone north are Mr. Latimer, wife and son, Mr. McEachern, Mr. Martin and Mr. Howard Runnals.

Large quantities of freight are moving northward while the correction line is as busy as a town street with teams hauling grain from the Fort to Morinville and returning with coal and lumber. The trails are getting into excellent shape although they are very high. In many cases to turn out means to upset. The old timers are prophesying a dry summer and good crops.

Rev. A. R. Aldridge, of Fort Saskatchewan, will exchange with Rev. Mr. Thacker on Sunday, March 29th, and will preach at North Westwood, Bethel and Belmont.

An Epworth League has been organized at the Bethel church with a roll call of fifteen active and several associate members as a result of the special services. The following are the officers: Home Protection, Rev. P. I. Thacker, president, Miss E. E. Asher, 1st vice-president, Mr. (Rev.) P. I. Thacker, 2nd vice-president, Mr. Richardson, 3rd vice-president, Mr. Lang, 4th vice-president, Miss A. C. Burns, treasurer, Lawrence Rye, recording secretary, Bertie Long, corresponding secretary, Miss Phoebe Long.

On Wednesday evening the league gave a St. Patrick social at the home of Joseph Rye, Esq. Upwards of sixty were present and everyone enjoyed themselves. A well-furnished programme of songs, recitations, readings, with the playing of the newly organized orchestra greatly contributed to the enjoyment. At the conclusion of the programme refreshments were served after which games were indulged in to the amusement of all. Rev. Sparling, of Horse Hills, was present and congratulated the league on its success. Mr. Helms, of Horse Hills school, also rendered splendid service on the programme. At the close of the social Mr. Fred Stacy moved a vote of thanks to Mr. and Mrs. Rye for their kind hospitality. During the evening Mr. Stacy recorded it in a neat speech. Spiritually, varied unanimously, and after it was a speech from Mr. Rye and a humorous one to come again from Mr. Stacy, being joined in the name of the league and dispersed with final anthems and most pleasant the evening.

DEATHS

Kennedy.—At Edmonton, on Wednesday, March 25th, 1903, John Kennedy, son of Alex. and Anna Kennedy, aged two years.

AN OPEN LETTER

To the Builders of Edmonton District.

Gentlemen: No doubt you have heard and read in the papers recently a great deal about the so-called "LUMBER COMBINE."

and the consequent advance of prices. In this connection a few statements of facts from me may be in order.

The manufacturers of British Columbia advise us that the advance in prices is due to the increased cost of labor and of materials and that this justifies the advanced prices to the trade. Whether this is true or not we are not in a position to judge.

But we do know that it is very difficult to get orders for B. C. lumber filled with any degree of promptness. Many of the mills are sold out of stock and cannot at present ship a car. We therefore claim that the advanced prices are due to scarcity of lumber. The price of any commodity is regulated in our day not so much by the cost of production as by the general demand for the commodity.

As to our own prices we beg to say that we are careful to see that they bear a right relation to cost. We cannot help the rise in B. C. lumber because the cost price is considerably advanced. But in the lines of our own manufacture such as Windows, Doors, Frames, etc., our prices are lower than the prices for the same articles either in British Columbia or Manitoba. This will indicate to you our position in this matter.

In view of the scarcity referred to if you are building or intend to do so, we advise you to place your order with us as soon as possible so that we may get in a position to fill it when required. We promise to do the very best for our customers that circumstances will permit.

Very Truly Yours,

MEN'S CLOTHING

Men's Suits, some new ones. Just about now you'll be glad to see some distinctly new goods, fresh ideas in the way of fabrics—large plaids, broken checks, narrow stripes in brown and gray effects—in fancy chevrons. The man who wants something "a little different" will appreciate the present showing of

PICCADILLY CLOTHING

There is a difference in clothing as in men. There are no better clothes made than those we are showing, but there are higher prices. A hot iron and a ton weight can press out a poorly made suit so that it looks very fine in a window. But only good, careful tailoring and all-wool cloth can make a suit hold its shape and look well for months and months. No need to argue with yourself, even though you have a good Suit or Overcoat. Will not another be welcome, if it's but to relieve a monotonous sameness? Many of these suits are of medium weight, and you could not find better for spring service. They are all identified by the "PICCADILLY" label. That makes them all the more desirable.

A good address goes a long way in aiding a man to forge to the front. We materially assist in giving you a presentable appearance by furnishing fashionable cut attire at prices below tailor made. Elegant patterns, careful workmanship, No clothing fits like ours.

BOY'S CLOTHING

CLOTHING THAT DEFIES JUVENILE GYMNASTICS

As a parent you know how near useless it is to admonish youngsters not to soil their clothes. The only remedy is to get good clothes, but don't pay too much for them. Clothing is cheaper for a healthy boy than doctors' bills for a sick one. We want for the boy's boy.

RAIN PROOF OVERCOATS

Cravenotted fabrics go through a process that goes to the foundation of the cloth—the very fibres that make the wool that makes the yarn are made non-absorbent. No earmarks of waterproof, no odor—no stiffness—is porous to air. The power of "cravenotte" is in disguise until attacked by rain.

MORRISVILLE

On last Sunday Wilfrid Gariepy and P. R. Lessard, of Edmonton, visited our locality.

Important land deals have taken place of late here. As A. Ringette has sold his farm to John Horvath, of North Dakota.

Ringette and Cheviat propose building a new store in the village. They are for that purpose getting out lumber from the woods.

N. Brissette has just completed his dwelling house near the church. His family will live there in the future instead of on his farm.

A visitor here could not help expressing his surprise at the amount of trade that is done in our local stores. Gaudette & Morin, Ringette & Cheviat and J. Boivert, Gaudette & Morin also keep the post office.

Mrs. B. J. Crocker and Mrs. J. H. Levey arrived last Friday from Hastings, Ont. Their husbands arrived a few days later with cars of effects.

Immigrants have begun to come into Ponoka rapidly, 150 cars are expected to arrive at this place this spring. They come principally from Iowa, Nebraska and the Dakotas, several also from Oklahoma and Kansas, while eastern Canada will also increase our population by the addition of several families.

M. E. Maxwell and family, late of South Chicago, Ill., are moving to Ponoka to make their home. A son arrived on Saturday with a car of effects.

L. M. Smith, north of town, is erecting one of the largest farm houses in this part of Alberta. The dimensions are 28x30 and 16 feet high. The lumber was all taken from his own place. Including the cost of getting out the logs, hiring them sawn and hauling the lumber home the larger part of the material in the house will cost him between \$8 and \$10 per thousand, thus making a considerable saving in the cost of his residence.

MILLET TO PIGSON LAKE LIGHT RAILWAY

An influential meeting of the residents of Millet and adjoining localities was held on Saturday last at the Arlington Hotel, Millet, with reference to the above project. A communication from the department of interior, Ottawa, was read by the chairman, Major MacFarlane, which having been discussed, a resolution, proposed by Mr. MacFarlane, was passed unanimously, requesting the minister of public works, Regina, with reference to the construction of a light railway on the government road allowance.

We sincerely trust that this undertaking may be carried through as it will be of incalculable benefit to the extremely fertile district from Millet westward, which is being rapidly settled up, as well as to Millet itself. This rising little town, hitherto so little known is now asserting herself in a manner worthy of imitation, and its rise will belong to the honor of being the first in the Northwest Territories to start an undertaking of the kind. We heartily say, "success to Millet."

YOUNG LIBERALS MEET

The annual meeting of the Young Liberals Association was held in Garfield Hall last night. There was a large and representative audience. Mr. C. W. Cross, president of the Young Liberals Association, occupied the chair. He welcomed to the meeting old liberals, young liberals, and those who while not liberals, were supporters of Mr. Oliver. The active membership of the association is 120 at present, with prospects of a large and immediate increase. The election of officers resulted as follows:

Hon. President, Mr. John A. McDougall, on motion of Mr. J. H. Gariepy.
Hon. 1st vice-president, Mr. J. H. Gariepy, on motion of Mr. J. H. Gariepy.
Hon. 2nd vice-president, A. B. Campbell, on motion of Dr. Whitelaw.
Hon. 3rd vice-president, Jas. Ross, on motion of J. McGee.
President, C. W. Cross, on motion of Mr. Cloutier.

1st vice-president, J. H. Gariepy on motion of Mr. P. E. Lussard.
2nd vice-president, R. J. Manson on motion of Mr. P. E. Lussard.
Secretary-treasurer, Mr. P. E. Lussard on motion of J. McGee.
Executive committee of nine members: R. McIntosh, Dr. H. H. W. Gariepy, Dr. Roy. S. Cloutier, Geo. McLeod, R. Matz, H. W. B. Douglas, Jas. McGee.

In each case the nominations were heartily unanimous. The new appointees were each called on for a speech and nearly all responded.

President C. W. Cross, after a few remarks on present day politics, called on Mr. Frank Oliver, M. P., to address the meeting.

Mr. Oliver dealt chiefly on the tariff and transportation problems, and explained definitely the stand he will take in Ottawa on these questions.

H. S. Young then addressed the meeting and spoke of the work of the Young Liberals in the past and of what was expected of them in the future.

Messrs. C. de W. MacDonald, Wilfrid Gariepy and others spoke enthusiastically and reminiscences of the cause of liberalism.

J. R. Boyle moved a hearty endorsement of Mr. Oliver's views on the tariff and railway problems. Mr. J. McGee seconded the motion and it was carried amid applause.

A sincere vote of thanks was tendered the officers of last year's young liberal association on motion of Mr. Wilfrid Gariepy.

A hearty and enthusiastic vote of confidence in the Laurier government, coupled with the candidature of Mr. Oliver, was passed.

C. W. Cross briefly welcomed the new members of the organization, after which the meeting adjourned.
